

ABOUT US

Established in 2008, Danat Alafaqi General Trading LLC embodies years of profound knowledge and extensive expertise in delivering integrated solutions for Parking, Pedestrian, Building Entrance, Access Control solutions, and High Security Hostile Vehicle Mitigation (HVM) within the GCC market. Operating from our headquarters in Dubai - UAE, and in Riyadh - KSA, our company has evolved into a prominent leader, specializing in these domains by seamlessly integrating cutting-edge technologies to address our clients' diverse requirements.

Our exponential growth has been fueled by a vibrant team comprising project engineers, draftsmen, operations personnel, procurement, finance, inventory management experts, and skilled technicians. Continuously leveraging our knowledge and proficiency, we drive forward modern automation solutions across industrial, commercial, and residential projects.

WHAT WE DO

Our commitment goes beyond mere supply. Backed by robust partnerships, we extend competitive and comprehensive technical, commercial, and service support to our esteemed customers and clients.

From initial concept design to final installation, we specialize in guiding and assisting our expanding client base in Supply, Installation, Testing, Commissioning, and Maintenance services
